Symbolic artificial intelligence

have complete answers and said that AI is therefore impossible; we now see many of these same areas undergoing continued research and development leading

In artificial intelligence, symbolic artificial intelligence (also known as classical artificial intelligence or logic-based artificial intelligence)

is the term for the collection of all methods in artificial intelligence research that are based on high-level symbolic (human-readable) representations of problems, logic and search. Symbolic AI used tools such as logic programming, production rules, semantic nets and frames, and it developed applications such as knowledge-based systems (in particular, expert systems), symbolic mathematics, automated theorem provers, ontologies, the semantic web, and automated planning and scheduling systems. The Symbolic AI paradigm led to seminal ideas in search, symbolic programming languages, agents, multi-agent systems, the semantic web, and the strengths...

And That's Why We Drink

variety of milkshakes, and the two would list the reasons (both good and bad) they were drinking that episode. While this is still a way for the hosts to

And That's Why We Drink (ATWWD) is a comedy true crime and paranormal podcast created by Christine Schiefer and Em Schulz.

The show has been in production since February 2017. It updates every Sunday on a variety of podcast platforms as well as a YouTube channel where video recordings of the podcast's audio recording sessions have been uploaded since October 2019. Since its launch, the show has seen over eighty million downloads and has spawned two live tours through the United States and Canada.

In May 2019, and again in 2021, the podcast won People's Voice for Best Comedy Podcast at the 23rd and 25th Annual Webby Awards.

In March 2022, Schiefer and Schultz launched a second podcast, Rituals, produced by the Parcast podcasting network and streaming only on Spotify, which focuses on aspects...

2023 in American television

the lengthiness of animation production there are more episodes still to be released on HBO MAX, and they are absolute corkers”*. Instagram. Retrieved February*

In American television in 2023, notable events included television show debuts, finales, and cancellations; channel launches, closures, and re-brandings; stations changing or adding their network affiliations; information on controversies, business transactions, and carriage disputes; and deaths of those who made various contributions to the medium.
